# August 2011 CLS confirmed as major LRIT ASP

Following a call for tender, CLS is pleased to announce that EMSA has decided to renew its LRIT ASP (Application Service Provider) contract with CLS.

“We view this contract renewal with EMSA as recognition of the quality of our LRIT services provided over several years now to EMSA.

We are very pleased with this award and will continue to cooperate with EMSA to constantly improve our systems for the benefit of the European Member States”, said Gaëtan Fabritius, Key Account Manager, CLS France.

## Important LRIT milestones for CLS:

**2008** – the European Maritime Safety Agency (EMSA) first contracted with CLS for the development and operation of the **EU LRIT Data Center** and the provision of related ASP services.

**2010** – the **US Coast Guard** also awarded CLS as their **National LRIT ASP**

**2011** – EMSA renews its trust in CLS for providing 365/7/24 LRIT ASP services
